

Nonnewaug High School 5 Minortown Road, Woodbury, CT 06798

Class of 2023

NHSGradNite.com

Graduation from high school is a special event that stands out in all of our minds as both an educational milestone and a symbolic passage to adulthood. It is a time of celebration and lasting memories. **Besides** Woodbury and Bethlehem students, Nonnewaug High School hosts students from 14 other towns who attend our Ellis Clark Regional AgroSciences & Technology Program.

GradNite supports graduating seniors by providing a place for them to celebrate on graduation night that is alcohol and drug free. GradNite, now a 25-year tradition, is a party with ongoing entertainment, music, games, crafts, competitions, food and prizes.

The Class of 2023 has missed many of the typical high school celebrations and milestones over the past few years, so we are very excited to be able to host a GradNite for them! GradNite is a self-supporting program, we receive no funding from the school budget. It is only through our fund-raising efforts and the generosity of our parents, local businesses, organizations, and our community, that we have been able to host GradNite.

We need the following donated items to help us reach our goal by May 19th :

- Monetary donations - checks may be made payable to Region 14 – GradNite
- Prize donations - gift cards, electronics, dorm room items, gift bag items
- Quantity of small items including coupons, samples for gift bags for each senior

Any contribution you can make will positively impact our NHS GradNite event on June 17th. Thank you for your thoughtful consideration of our request and please feel free to contact me if you would like any additional information.

Thank you,
Christine Paige/GradNite Chair
